KIDS-IN-RESIDENCE

Young artists--head to Lux after school and make yourself at home! Artist Robert Lobe will be Lux's artist-in-residence from March 27 to April 25. During a six week after-school program, students can get up-close and personal with Robert by studying his work, engaging in conversation, experimenting with similar techniques and materials, and following the artist's progress in the Lux studio from start to finish. Classes are led by Lux instructors.
